Scholarship funds are created through annual fundraisers and donations. Upon receiving the completed Scholarship form, the Treasurer will evaluate for approval. Scholarships are primarily approved on a first come first serve basis provided that there are funds to grant them at that time. Applicants will be notified by the Treasurer in a timely manner as to the status of their request. Upon applying for a scholarship, the applicant agrees to fulfill extra Opening/Closing Duties (Two extra duties for a full scholarship, and one extra duty for a partial scholarship).
